# Capability Statement

## RED RIVER LLC

2700 N Hwy 14-16 Gillette, WY 82718

Contact: Reilly Sasse  
Office: (307) - 257 - 5337  
Cell: (307) - 282 - 0863  
Email: reilly@redriver.team

## NAICS:

332322 Sheet Metal Work Manufacturing  
332313 Plate Work Manufacturing  
332420 Metal Tank (Heavy Gauge) Manufacturing  
332999 All Other Miscellaneous Fabricated Metal Product Manufacturing  
33231 Plate Work and Fabricated Structural Product Manufacturing  
3324 Boiler, Tank, and Shipping Container Manufacturing

## PSC/FSC codes:

5430 Storage Tanks  
9515 Plate, sheet, strip, foil, and leaf

UEI: RYJ1J3J7JMZY6

Cage Code: #8J0J5

## Certifications:

ASME Certificate of Authorization  
Scope: Manufacture of pressure vessels and field sites control  
Certificate Number: 55074  
Authorized: June 22, 2021  
Expires: June 22, 2024

## Certifications:

Authorization to Register NB  
Scope: Authorize to apply the NB mark and Register boiler  
Issued Date: May 16, 2019  
Revised Date: April 29, 2021

## Certifications:

AWS Affiliate Member  
Date Designated: Dec 2020

## Certifications:

Certificate of Authorization R  
Scope: Authorize to use the R Symbol  
Certificate Number: 10889  
Authorized: May 18, 2021  
Expires: June 22, 2024

## Past Government Projects:

- Government Facilities
  - Emergency Services
  - Public Works
  - Laboratory
  - Schools
  - Correctional
- Water Treatment/Transmission
- Wastewater Treatment
- Parks & Recreation
- Government Sponsored Technology Pilot projects

## BUSINESS SUMMARY/EXPERTISE:

Red River is an ASME-certified fabrication company providing pressure vessels, prefabricated piping packages, and skid packages to a range of industries. Government entities, as well as some of the world's leading companies, are among Red River's clients. We are focused on providing top-notch manufacturing services to people who value long-term relationships. Red River excels in high-quality fabrication across diverse industries: Oil & Gas, Chemical & Petrochemical, Power Generation, Renewable Energy, Mining & Minerals Processing, Pharmaceutical & Biotechnology, and Water treatment/Transmission.

## WHY RED RIVER?

The Fire Inside is the Red River Difference; we ride hard, watch the details, tie the extra knot, and do it with grit. American Values, American made.

- Better Lead Times: We understand the challenges in today's manufacturing environment, and we've developed ways to substantially beat the competition when it comes to delivery times.
- A Foundation: Everything we do is here in America, our supply chains are rock solid, and our culture ensures dependable access to skilled labor.
- Accountability: Red River embraces accountability, continuously improving, and competing vigorously in response time.
- We Care More: We tailor our systems and protocols to clients' needs, work to truly understand their objectives, and deliver intuitive results.

## CAPABILITIES:

- Design, Engineering & Manufacture of ASME Section VIII Pressure Vessels
- Prefabricated piping packages
- Build to suit complete skid packages
- Project Management: Seamless execution and timely delivery
- NACE Compliant Blasting/Coatings/Liners & Insulation
- Instrumentation & Electrical (I&E)
- In House Logistics/Shipping
- Advanced Welding Procedures covering a range of carbon and stainless materials
- Plasma Plate Cutting & Pipe Profiling
- Plate Roll
- Fully Compliant/Maintained QC Program ensuring
  - Full Material Traceability
  - Quality Assurance
- Fully Compliant/Maintained HSA Including:
  - Daily Inspections & Training
  - Audited Facilities & Maintained Records
  - Incident Management
  - Near Miss Program with Incentives
